

Hungary Bars 'Imperialists'

Laszlo Rajk, Minister, Is First To Go

Budapest, Hungary, June 15 (AP)—The Hungarian Workers (Communist) party today kicked out Laszlo Rajk, who rose from schoolteacher to foreign minister, and demanded the crushing of imperialist agents with an iron fist.

An official party bulletin said Tibor Szoenyi, another leading Hungarian Communist was ousted from the party along with Rajk. They were called "spies of foreign imperialist powers and Trotsky agents."

The ouster announcement partly dispelled the cloud of secrecy which had hung over the Rajk case. He recently disappeared, without explanation, from his post of minister of foreign affairs.

Rajk, listed as an extreme left-wing communist, also was secretary-general of the people's front of independence — the communist-controlled coalition of political parties that rules Hungary.

The unusually strong wording of the communiqué left little doubt of a severe fate for the once all-powerful minister of interior. While in that post two years ago, Rajk helped write a new election law which provided no restrictions on how many times one person might vote. As an iron-handed interior minister, with control of the police, he took a hand in the purging of the then majority smallholders party, paving the way for communist domination.

The communiqué did not say what actually had happened to Rajk and Szoenyi. It also failed to disclose what had happened to certain other less important communists who disappeared with them.

Member Supervisor
Szoenyi was the leader of the section of the party which supervised all rank and file party members.

Rajk, although listed as a communist of the far-left type, was a member of Hungary's so-called "Moscow group" whose members have lived in Russia.

The communist-dominated Hungarian workers' party, of which President Arpad Szakasits is a member, was formed a year ago through a merger of the communist and social democratic parties.

The communist party's foreign policy called for close collaboration with the Soviet Union. The social democratic party contained a pro-Russian left-wing group and a right-wing faction which leaned toward the west.

The expulsions are the latest in a series of purges in high government circles in east European countries. The charges—imperialist spy and traitor—are similar to others placed against recently expelled leaders in eastern Europe since the Moscow-line cominform bloc launched its attack on Premier Marshal Tito and his top Yugoslav lieutenants a year ago.

Tito and his aides were accused of "deviating" from the Marxist-Leninist party line, and Yugoslavia was kicked out of the cominform bloc.

Amendments Make Truman Labor Bill Look Like T-H Act

Washington, June 15—(AP)—The Senate today added three amendments to President Truman's labor bill and thereby made it look a little more like the Taft-Hartley act.

Getting down to action at last, the senators approved all three proposals by voice votes, without any audible "noes."

But despite the amendments, the administration bill still was far from identical with the T-H act. It did not contain a long array of T-H features like the use of injunctions to delay strikes and the bans on closed shop contracts, mass picketing and certain other union activities.

The three amendments, sponsored by a bi-partisan group, would do these things:

1. Make it illegal for a union to refuse to bargain in good faith. The administration bill already contained a requirement that employers must bargain. The amendment had the effect of imposing the same duty on both sides, as in the Taft-Hartley law.

2. Guarantee freedom of speech in labor relations unless the speech in question contains threats or promises of benefit. The amendment is similar to, but not identical with, a Taft-Hartley provision.

3. Require both unions and companies, if they want to take cases before the National Labor Relations board, to file annual financial reports. The Taft-Hartley law requires only unions to do this.

White-Robed Mob Flogs Navy Vet Near Birmingham

Birmingham, Ala., June 15—(AP)—A white-robed mob dragged a navy veteran from his home last night and lashed him 20 times with a leather belt.

Their victim was Billy Guyton Stovall, 31, white pipe plant employee described by neighbors as a good husband and father.

The flogging of Stovall was the third outbreak involving robed mobs in the Birmingham area within a week. A woman was manhandled and forced to watch a cross burning, and a restaurant operator made to watch a cross burning last Friday night. Both are whites.

Dr. E. P. Pruitt, head of the Ku Klux Klan in Alabama, flatly denied the Klan had any part in the three incidents.

Stovall and his two children, Jimmy, 10, and Elaine, 8, were at home at 11:30 last night when a robed figure knocked on the door.

Jimmy gave this account: "The man said 'this is Stuart. I want to see you.' Then he grabbed my daddy and pulled him out the door."

Another robed and hooded man "with holes cut to see through," came into the house and asked for Mrs. Stovall. She was at work.

Mrs. Stovall returned to the house at 12:30 a.m. She said the door was open and Jimmy told her "the Ku Klux came and got daddy."

She called police and notified the sheriff's office. Two sheriff's deputies and three state patrolmen arrived an hour later.

Stovall returned at 1:30 a.m. His wife said he had been taken to a wooded area and struck 20 times with a heavy leather belt. His back, she said, was covered with welts.

Senate Group Will Probe High Price Of Gasoline In US

Washington, June 15—(AP)—A Senate committee announced today it was ready to launch an investigation of gasoline price increases estimated to be taking a \$40 annual bite out of the average motorist's pocketbook.

Senator Maybank (D-S.C.), chairman of the Senate banking committee, said public hearings will start June 27. It will be the first of a series of inquiries into the spread between producer and consumer prices on various commodities.

A committee staff report estimated gasoline prices have risen since 1946 to a point where they are now costing motorists \$1,300,000,000 more a year, and "there are indications that still further gasoline price increases may be contemplated."

Illinois Senate To Vote On FEPC, 5c Gas Tax Hike

Springfield, Ill., June 15—(AP)—The proposed nickel state gasoline tax and the Illinois FEPC bill come up for passage votes tomorrow in the Senate.

The prospects tonight were that FEPC has a good chance of squeezing through but that the gas tax measure will fail by four votes or more.

However, backers of the proposal for a fair employment practices commission aren't too optimistic that it will win enactment. If the Senate approves it, FEPC then would return to the House for concurrence in an amendment making the commission a bi-partisan group.

FEPC sponsors fear that the bill either might not get the needed House votes, or that it might get sidetracked in the jam of business before the legislature closes shop June 30.

Senators pushing the plan for increasing the gas tax from three to five cents a gallon said tonight they counted no more than 22 votes for it—four short of the required majority.

Congress To Probe Coal Operators' Bargaining Plan

Washington, June 15—(AP)—The plan by some big coal interests to set up a super-duper bargaining to deal with John L. Lewis brought on a congressional investigation today.

The Senate Banking committee voted unanimously for its small business group to start a probe next Monday.

Later, however, Senator Robertson (D-Va.) who sponsored the investigation move, said there may be a 10-day delay beyond next Monday in getting the hearings started. He said he was having trouble rounding up witnesses.

The purpose of the investigation, Robertson said, is to find out whether the plan being sponsored by a large segment of the soft coal industry violates the anti-trust laws.

Robertson said small independent coal operators fear a "czar," as he called it, would lead mine management to "the same type of monopolistic control now exercised, and apparently by authority of law,

over the miners."

"Many of the operators do not believe our anti-trust laws permit them to go into such an agreement, the end result of which would be to fix prices," he told reporters.

The committee acted in the midst of a week-long strike ordered by Lewis in both soft (bituminous) and hard (anthracite) coal fields to reduce the abundant stocks of already-mined coal.

The way the 430,000 miners, members of the United Mine Workers union which Lewis heads, responded to the walkout order demonstrated that the workers, at least, are rallied behind a single spokesman.

Lewis kept silent about the Senate committee action and the plan to set up a powerful management bargaining as his protagonist.

However, Lewis is reported favoring the coordinator idea. Frequently he has taunted the mine owners for "dismal lack of leadership" and squabbles among themselves.

Ed Waitkus Shot By Bobby Soxer

REVIVES COMRADE ON TOP OF POWER POLE

Washington, Vt., June 15—(AP)—A lineman was credited today with saving the life of a fellow worker by using artificial respiration on his lofty perch atop a power pole.

Hero of the swift and dangerous rescue was Vernon A. Cook.

Police said Cook saw his mate, Rudolph Herbert of Montpelier, topple onto heavy lines charged with 2,300 volts.

Cook leaned over the unconscious Herbert, pulled him back to their precarious roost and revived him.

House Passes Bill To Give Military Men Higher Wages

Washington, June 15—(AP)—A compromise bill to increase the pay of almost everybody in military uniform passed the House today and went to the Senate.

It was approved on a voice vote after supporters had fought off five attempts to trim increases proposed for top ranking commanders and cut sharply the bonuses paid for flight and submarine duty.

Individual raises in the bill would range from about three per cent for the next to lowest enlisted rank up to approximately 37 per cent for generals and admirals and two high enlisted grades.

The bill would add about \$358,000,000 to defense costs in its first full fiscal year of operation. This would decrease to about \$304,000,000 a year after 1952. The new pay scales, if the bill passes the Senate in time, would go into effect October 1 this year.

For the first time since 1908, the entire pay scale—from four-star generals and admirals down to rookies and "booties" in the rear rank—would get a face-lifting. Allowances that have been added over the years to base pay would be chopped away or greatly reduced.

The bill would apply to all the uniformed services: the army, air force, navy, coast guard, marine corps, coast and geodetic survey, the public health service, the reserves of all these, the national guard and the air national guard.

Britain, Argentina Ignore US Protest Against Trade Pact

Washington, June 15—(AP)—Britain and Argentina appeared today to be cold shouldering American protests against their new proposed five-year trade agreement.

The agreement, which state department officials believed would channel trade between Argentina and Britain and harm U. S. sales in Argentine markets, is still in process of settlement.

But a British diplomatic informant here said that he knew of no intention to delay action on closing the agreement for the purpose of meeting American objections.

This coincided with word given out by Undersecretary of State Webb at a news conference today. Webb said that as far as he knows Britain and Argentina would not hold up the signing of the agreement but he hoped that before they signed they would give most careful consideration to American criticisms.

The agreement was essentially completed two weeks ago. Among the factors which led up to it are these two: (1) Both Britain and Argentina have dollar shortages and (2) Britain has traditionally bought huge quantities of meat from Argentina.

U. S. Objections Block Questioning About Atomic Data

Washington, June 15—(AP)—Defense questions about secret atomic data were blocked by shouted government objections today as Dr. Edward U. Condon, atomic scientist, testified in the Judith Coplon espionage trial.

Miss Coplon, 28, a former justice department employee, is expected to take the stand as her own star witness tomorrow.

Dr. Condon, chief of the U. S. Bureau of Standards, played the role of a virtually silent witness in the cross-fire between federal attorneys and defense counsel Archibald Palmer.

Again and again, Palmer tossed questions at Dr. Condon about the use of Geiger counters, geophones and other equipment in atomic research.

The defense lawyer got nowhere. Every time Palmer asked such a question, Prosecutor John M. Kelley, Jr., leaped to his feet and snapped:

"Objection! That has nothing to do with the guilt or innocence of the defendant."

Judge Albert L. Reeves, 75-year-old, presiding at the trial, sustained the prosecution each time.

Philadelphia Star Seriously Injured By Rifle Bullet

Chicago, June 15—(AP)—Eddie Waitkus, star Philadelphia Phillies first baseman, was shot and seriously wounded early today by a bobby sox baseball fan who had a secret crush on him.

Waitkus, 28, was shot near the heart with a .22 calibre rifle bullet. The girl had lured him to her room in the fashionable Edgewater Beach hotel.

Illinois Masonic hospital described his condition as "fair to poor." Waitkus' physician said his condition was "serious" but that the bleeding was under control and he was getting along "as well as can be expected."

He said he expected Waitkus to recover unless there were unusual complications.

Priest Visits Him
A priest who visits Catholic patients at the hospital visited Waitkus' room several times, but hospital attendants said this was not unusual and did not indicate his condition was growing worse.

Ruth Steinhagen, 19, six foot, dark haired typist, gave a lengthy statement in which she related an urge to kill Waitkus "kept occurring to me all the time" for about two years.

Friends said she had a crush on Waitkus, although the girl admitted she never had met him. The only times she saw him before was on the baseball field.

She told police she wanted to "do something exciting in my life."

Miss Steinhagen gave a statement relating details of the shooting to assistant state's attorney and police captain John T. Warren. Later, as it was read back to Miss Steinhagen, State's Attorney John S. Boyle, commented to her:

"Young lady, I hope you realize this is a serious offense."

"Simple Shooting"
"Oh," she replied, "it's just a simple shooting."

She was booked by police on a charge of assault with intent to murder. She will appear in Felony Court tomorrow.

Ruth's mother, Mrs. Edith Steinhagen, said the girl had visited two psychiatrists who told her "nothing was wrong with her except that she should forget about Waitkus." She said the family would "stand by" the girl.

She said that when Waitkus was traded from the Cubs to the Phillies last winter, Ruth threatened to move to Philadelphia to be near him. She said Ruth was "so crazy" about Waitkus that she tried to learn to speak Lithuanian when she learned he was of Lithuanian extraction.

ICC Reform Bill Kept In Committee By Party Voting

Springfield, Ill., June 15—(AP)—Republican senators today kept governor Stevenson's Commerce commission reform bill corked up in a committee.

The 28-19 vote on strict party lines may doom enactment changes of the bill to take the commission "out of politics."

But Democrats still hope to get the House-approved measure through the GOP Senate.

The Senate defeated a bill to force the University of Illinois Medical college to admit at least two students a year from each of the 51 districts from which legislators are elected.

The usual freshman class of about 160 students now is admitted chiefly on the basis of grades.

In other action, the Senate approved and sent to the House bills to:

Permit Illinois cities to issue non-referendum bonds for purchase of voting machines if use of the machines has been approved in an election.

The Senate also passed a bill to the governor bills appropriating \$1,000 for a portrait of Rep. Hugh Green (R-Jacksonville) former speaker of the Illinois House, and authorizing Cook county to issue \$1,600,000 in non-referendum bonds for its working cash fund.

Reach Compromise On Streamlining Of US Government

Washington, June 15—(AP)—After arguing for a month over a bill to reorganize the government, House and Senate conferees finally agreed on a compromise today.

The bill is an outgrowth of a long, detailed study by a commission headed by former President Herbert Hoover. It would give the president power to streamline and co-ordinate the complex federal government.

Hoover says it would save the taxpayers several billions each year.

Everybody, including President Truman, seemed to be for it. But how was it to be done? The Senate and House each had a different version.

The conferees appointed to iron out the differences have been haggling since May 17.

Senator McClellan (D-Ark.) told reporters each side has had to give in a bit.

Illinois Chairman Of Red Party Tells Of Browder Ouster

New York, June 15—(AP)—The Illinois chairman of the Communist party testified today about the changes in his party's line which led to the ousting of Earl Browder at the end of World War Two.

Gilbert Green of Chicago, second defendant to testify in the trial, said he at first believed in Browder's policy of collaboration between capital and labor but that he later concluded this was wrong.

Browder, general secretary of the party in the war years, was ousted in the summer of 1945. The government maintains this coincided with a sharp swing in the party's policy toward advocacy of violent revolution.

The 11 defendants, members of the party's top body, the national committee, are charged with conspiracy to advocate overthrow of the U. S. government by force.

Green said Browder's policies were questioned by party leaders in January and March, 1945, several months before he was ousted.

SAFE BURGLARIZED
Kankakee, Ill., June 15—(AP)—Burglars today carried off a safe containing \$500 from the Canfield restaurant, near Kankakee. Police later recovered the safe on a country road four miles from the restaurant. It had been smashed open and the contents taken.

Sycamore, Ill., June 15—(AP)—A Negro handyman testified today the housekeeper of the late Edward F. Shellabarger, wealthy industrialist, promised him \$1,000 for making a statement that the old man was sane.

Louis E. Clay, the handyman, said he "lied" when he made that statement in 1944 in connection with litigation over a shellabarger trust fund.

Shellabarger was a DeKalb and Chicago real estate operator and wire manufacturer.

Four heirs of Shellabarger claim in their circuit court suit the industrialist was of "unsound mind" when he made his will Dec. 19, 1943.

They will left an estimated \$100,000 to Miss Rowena Potts, 44, his housekeeper, in the event she survived his wife, Rosa.

Clay testified he worked for Shellabarger from 1918 to 1947, when Shellabarger died at the age of 94. He said that after the old man was injured in an automobile accident in 1938 he "never went out of town except for little short rides."

The handyman said he believed Shellabarger had "slipped considerably both mentally and physically after the accident" and that he was "dominated" by the housekeeper.

SIGN TRADE AGREEMENT
Rome, June 15—(AP)—Italy and Poland signed a \$50,000,000 trade agreement today.

Under it Italy will send Poland fruits and vegetables, machinery, zinc, tires and textiles. She will receive in exchange coal, cereals, chemicals and lumber.

Says AEC Did Not Heed Cost

KILLS GIRL, 6, IN FIRST ACCIDENT IN 11 YEARS

Jersey City, N. J., June 15—(AP)—A truck driver who was to be presented with a company safety award for 11 years of driving without an accident struck and killed a six-year-old girl today.

Louis W. Mayer, 56, a driver for the Railway Express agency, was arrested on a charge of causing death by auto. The child was Frances Enright, daughter of a state CIO field representative.

House Group Backs Bill To Give SIU Separate Control

Springfield, Ill., June 15—(AP)—The Illinois House Education committee today endorsed Senate-approved legislation setting up a separate board to control Southern Illinois university, Carbondale.

But the committee also recommended limiting the board to a two year trial period.

A 14 to 1 vote sent the bills, with suggested changes, to the House floor.

Southern now is under jurisdiction of the State Teachers College board which also manages four other state colleges.

The committee action came in adoption of a subcommittee report on the Senate bills and proposed legislation putting SIU under the University of Illinois trustees. The subcommittee rejected the second proposal.

The AEC didn't know that the estimated cost of the Hanford plant had soared from \$6,000,000 to \$25,000,000 until a commission member made a routine trip there early in 1949.

Constructed By GE Corp.
Work on the plant started in 1947. It is being constructed by General Electric Corp. under a "cost plus \$1 profit" contract.

2. The AEC's own review board, in a secret 43-page report, found that a "lack of planning and mistakes" boosted the cost of construction.

Hickenlooper quoted the report as saying the commission should have seen "danger signals" in GE's constantly rising cost estimates and "it does not appear" that any AEC representative reviewed the estimates.

"There was no clear understanding in General Electric or the Atomic Energy Commission as to whose responsibility it was to handle cost reports," the review board's report said.

PRODUCTION CURBS AGAIN?
With a near-record wheat crop this year almost assured, the agricultural department is talking of resoring production curbs. It could do this simply by denying support money (now 90 per cent of parity) to wheat growers who refused to reduce their acreage.
It may even seek to reestablish quotas—tell the farmers how much they can sell without encountering a penalty tax. But this could be done only by a two-thirds vote of the wheat growers. Quotas already have been established on tobacco and peanuts and be extended next year not only to wheat, but to cotton and corn.
Before such action is taken, the government should explore every opportunity to get our surplus farm crops into the hands of needy people. Before the war crop curtailment had some excuse because the rest of the world was broke and congress, in a wave of resentment over the non-payment of war debts, barred any loans to foreign countries. But now we are not only issuing loans but outright grants of money and arms. Surely if we can send guns to the Greeks and Turks, we can send wheat to hungry people somewhere.
There must, however, be a renewed emphasis on conservation. This will naturally curtail some of our staple crops. But the curtailment needn't be sharp; it shouldn't be while there are hungry people in the world.

Children's Day Program Held At Glasgow Church

Glasgow—A Children's Day program was given Sunday morning at the Baptist Sunday school, following the regular class period. Also during the regular class period, the offices of the school and teaching positions in the smaller classes were filled by young people, as follows: Superintendent, Clarence Hester; secretary, Norma Nicholson; pianist, Sharon Alderman. Teachers—Primary, Reba Rider; Sunshine, Mary Lou Hutchings; Sunbeams, Clarence Hester; Helping Hand, Howard Hutchings.

The program was as follows: Piano music, Royce Savage; recitations, Gordon Wayne Day, Mary Jane McEvers; reading, Reba Rider; recitations Garry McEvers, Sandra Lou Cowper; a prayer, Tommie Steelman; hymn, with guitar, John E. Vick; recitation, Harold McEvers; reading, Ruth Jean Hutchings; recitations, Charles McEvers, Arthur Lee Oswald; vocal solo, "The Lord's Prayer," Norma Nicholson, accompanied on piano by Mrs. Wm. Cunningham.
The children of the four youngest classes were treated with candy bars. The benediction was given by Mrs. Harry Young.

Football Players Lose Bullfight

Leopoldville—(P)—Natives were recently playing a football match on the outskirts of the city when a wild bull emerged from a nearby

wood and charged the red-shirted players. In the ensuing panic players, spectators and officials hurriedly scrambled up trees or anything which would take them out of the reach of the flashing horns. The bull, finding himself the sole master of the field, disdainfully kicked the only thing left in sight—the ball—and withdrew into the woods.

Poles Ban Border Line Swimming

Nowy Sacz, Poland—(P)—Border-line swimming is out in Poland—that is, along the Polish-Czech frontier.

Authorities say too many people are being drowned every summer in the turbulent waters of the Dunajec river. Portions of it form the boundary between Poland and Czechoslovakia.
The Nowy Sacz fire brigade now has declared "no swimming" along the entire course of the Dunajec except in a few spots especially designated.
Authorities also have prohibited the circulation of all unregistered barges and ferryboats used for the transport of passengers.

PAINTS A SUCCESS STORY
Rush City, Minn.—(P)—In 1940, Effie Sheldon Bornhoff's husband asked her to try her luck at painting a picture for their home. Her first attempt, a water color, won a blue ribbon at the Minnesota State Fair. Now, she has more than 5,000 separate watercolors and oils in her home. And at a recent "open house," which she holds every year, nearly 1,000 persons from Minnesota and Wisconsin came to view her paintings.
The easiest way to paint a small piece of furniture such as a chair or table is to turn it upside down and paint underneath portions first.

Boyle's Column The First Sight Of Ireland

By HAL BOYLE
Shannon, Ireland, June 15.—(P)—Oh it was high up in the air we were, 8,000 feet above the great Irish Sea.
Inside the cabin of the American overseas Airlines flagship America, were some 30 correspondents returning from a tour of the European battlefields and outside was a thick cloud making a mystery of the land below and the sky above.
We had run into the clouds after taking off from London. Some of the passengers dozed in their seats, quietly digesting one of merry England's postwar austerity meals and wondering if God ever made anything more courageous than the English.
But some of us were looking out impatiently looking for the clouds to clear.
Just then a starboard engine gave a tug at a cloud and swallowed it whole and through the mist there gleamed a river beneath us.
Looking down at the map of Ireland they saw it through the hearts of forebearers who had left this beautiful land for something better but carried the memory of it wherever they settled.
Wall Around Each Farm
There was one among us, Cornelius Ryan, who had been born here and was seeing his homeland again for the first time in eight years.
"There is Ireland's tallest mountain—Cahirciveen," he said.
"It looks more like a New Jersey swamp with the mumps," mumbled a sleepy cynic whose father certainly hadn't come from Ireland.
"Now over there, the Irish central plain," said Ryan. "See how few roads there are and notice how small the farms are."
Around each farm is a stone wall. They were built in the days when the Irish used to say, "we may not have any ammunition to fight the British, but we have plenty of rocks to throw at them."
I looked at the pinched green farms and I realized why my mother and all her sisters had come to America leaving their only brother to inherit and till the small family farm.
Ireland had exported its bacon to Europe. Crowded beyond the power of its land to support, it had exported its sons and daughters to the United States.
Two Rival Dairies
They had followed a westward sun that sank in hopelessness on them here but rose like a morning star on the wide fresh land of America—a land where every Irishman could join a police force and walk a beat bigger than the farm he had left behind.
Our plane landed at Shannon Airport and we picked up a souvenir of Irish earth at the edge of the runway. Then we went into the lounge. We had only an hour before our plane left and we spent it learning about Ireland.
It seems there are two rival dairies here. One is run by a fellow named Bushmill. The other is operated by a guy named John Jameson. They both bottle beautiful brown milk.
What else can you learn in an hour about Ireland, mavourneen? It was too dark to look for shamrocks.
The hydrogen that carries balloons to great heights may some day take rockets into the outer space beyond the pull of gravity. But it will be a liquid hydrogen, and the rocket will carry liquid oxygen to permit combustion. The liquid hydrogen is the fuel, the liquid oxygen the oxidizing agent.

To Install New Pastor Thursday At Carrollton

Carrollton—Dr. R. L. Whipple, dean of Shurtleff college at Alton, will be guest speaker at the installation of the Rev. Laurel Grigg as pastor of the local Baptist church, which will be held Thursday evening in the church.
Dr. Whipple will give the charge both to the church and the congregation. The Rev. Ben A. Bohn of White Hall, moderator of the West Central association, will preside and receive the Rev. Grigg into the association. The response to the two addresses will be given by the Rev. Grigg. Special music is being planned for the ceremony which will close with a reception in the dining room of the church, where refreshments will be served by members of the fifty-five class.

LUCKIES PAY MORE to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

CURTIS A. WALKER, veteran independent warehouseman of Wendell, N. C., says: "Season after season, I've seen the makers of Luckies buy fine tobacco...tobacco that makes a mild smoke. I've smoked Luckies myself for 20 years." Here's more evidence that Luckies are a finer cigarette.

EIGHT-OUNCE BABY A BATTLER—If your mailman brought you eight letters today, their combined weight would be about what Grace Louise Cotton weighed two days after she was born June 3 in Cleveland, O. Tiniest premature baby ever to live a week in Glenville Hospital's 41-year history. Baby Grace arrived three months early. Two days later her birth weight of a pound and six ounces slipped to eight ounces. Fighting for survival she was back to a pound and two ounces a week after her birth and doctors say she has a fair chance. Here her mother, Mrs. Paul T. Cotton, keeps vigil at the incubator in which Grace is fed, changed and given a constant supply of oxygen.

Pram Row Sports Tiny Handbags

By Espie Kinard
NEA Fashion Editor

New York—(NEA)—Nickels, dimes and lollipops will travel this summer in cool little handbags of straw and plastic instead of perspiring little palms.

That's the designing idea behind a collection of snappy little handbags for snappy little fry.

So hard to resist are such charms as doll-sized satchels of plastic, straw and fabric pouches, leather

"pails" and "straw hat" handbags that many of these small-fry fashions have been earmarked for grown-up adaptations.

Smallest charmer, large enough to accommodate the thrust of a small hand in search of a nickel or a lollipop, is a red cherry-trimmed "hat" of natural straw banded with blue ribbon. This one combines two hat miniatures with a slit opening in between and two ribbon streamers that make a wrist strap.

Other styles are designed for little wisecracks old enough to clamor for such fittings as mirrors, notebooks and pencils and small change purses. One of two-toned saddle leather takes its design from a sand pail.

A plastic calf satchel fitted with mirror, tiny change purses and a fancy gold clasp is another handbag style that will answer any Pram Row girl's as to what's smartest to wear with summer's cotton prints.

THE DOCTOR SAYS

Pollen Sensitivity Will Determine Hay Fever Period

The time when symptoms of hay fever develop in a susceptible person depends on what pollens he or she is sensitive to. A few people develop symptoms from the early pollinating trees. Many more do not have much trouble until June or early July when the grasses begin to pollinate. The worst difficulty comes about the middle of August when ragweed and its relatives begin to shed pollen.

The first thing which everyone should know about their hay fever, or rhinitis, is what it comes from. If a particular pollen—or several of them—is at fault, the offending substance can almost always be discovered by skin testing. The various pollens are collected, scratched on the skin and a reddening will occur in those people who are sensitive.

Many of the pollens are or can be made up into solutions and injected under the skin to produce a gradual lessening of sensitivity. This method is followed particularly for grass hay fever and fall, or ragweed, hay fever.

Early Treatment Wise
A person who has a special sensitivity to pollen is wise not to wait until the last minute to do something about it. It takes several weeks or months to accomplish much in the way of decreasing sensitivity to pollens. Although temporary relief of symptoms may be obtained with new drugs, the effect is not the same as the injections which are aimed at decreasing the sensitivity.

More relief can be offered to hay fever sufferers now than ever before. It is not only possible to give the pollen injections or shots, but when these are only partially successful, further relief is usually possible with one of the comparatively new, short-acting drugs, of which there are now many brands on the market.

Wroclaw, Poland—(AP)—Poles are pushing a broad program of "Let there be light" in the farming areas surrounding this former German city of Breslau. A big electrification drive is underway.

The Lower Silesian Associated Power Plants reported electricity service had been supplied to 67 villages thus far this year. That includes 14,000 rural homesteads. The association plans to extend service to 280 more rural communities by the end of 1949.

GOOD IDEAS

KITCHEN TRICK

LAZY DAY LUNCH—Add spices and seedless raisins to applesauce, heat, and serve as a sauce over slices of boiled ham on buttered toast.

HOUSEHOLD HINT

THOUGH it's good practice to air your feather pillows often, don't hang them in the direct sunlight. This draws out the natural oil in the feathers and makes them less soft.

RECIPE

BAKED
STUFFED SMOKED WHITEFISH

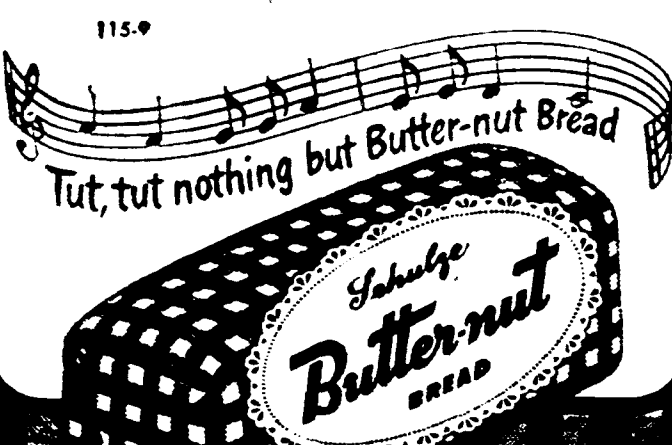

1 Tbsp. butter or margarine
2 Tbsp. soft bread crumbs
1 onion, chopped
2 Tbsp. chopped parsley
1/4 tsp. celery salt
salt, pepper, cayenne
1 whole smoked whitefish

Cook onion in melted butter until slightly browned. Add crumbs and seasonings and stir until hot. Remove backbone of fish, stuff and sew opening. Put in pan and bake 10 to 15 minutes in moderate oven (350°) only until fish is hot. No cooking is needed. Serves 4.

Mrs. Richard McGinnis and Mrs. Charles Bealmeier left Wednesday morning for Washington, D. C., where Mr. and Mrs. McGinnis will make their home. Mrs. Bealmeier will remain in Washington for one week, returning home by plane.

White Hall Girl, Alton Man Are Engaged To Wed

White Hall—Mr. and Mrs. Charles Dawdy of Hillview announce the engagement of their daughter, Leonora to Dr. Ottomar Bude of Alton, son of Mrs. Elizabeth Bude of Centralia. The wedding will take place on June 18 in Alton.

Miss Dawdy is a graduate of the White Hall High school and has been employed at the Owens Illinois Glass company. Dr. Bude is a prac-

ticing chiropractor in Alton, where the couple expect to make their home after their marriage.

The teachers of the Daily Vacation Bible school of the First Christian church entertained their pupils at Lions Park Wednesday noon with a picnic. There will be a program at 7:30 p. m. Friday with diplomas awarded the pupils and an exhibition of their work. The parents of the children and the public are most cordially invited to this service.

Mr. and Mrs. Charles Schuetze and two children of Carlinville, accompanied by Mrs. Dora Ambrose, visited Mr. and Mrs. E. S. Ambrose over the week end. With them was Mrs. Leo Bloomfield, who is a sister of Mr. Ambrose, and her son, Gerald of Pueblo, Colorado. The Schuetzes returned home Sunday. Mrs. Ambrose and the Bloomfield family stayed for a week's visit. Mrs. Ambrose is the mother of E. S. Ambrose.

Wears Brace As Result Of Injury

226 Attend Bible School Sessions At Bloomfield Church

The Vacation Bible school of the Bloomfield Baptist church of the Sandy Creek association in Scott county was attended by 226 persons. The attendance on the opening day, June 6, was 134 children and 38 adults. The attendance grew each day, until a total of 266 was attained. The average attendance was 211, with 153 having perfect attendance. The pastor, the Rev. Lonnie Moore and Mrs. Moore attended each session.

Mary I. Ridings, Henry F. Willen Wed At Carrollton

Carrollton—In a double-ring ceremony which took place Wednesday morning at 9 o'clock in St. John's church, Miss Mary Isabell Ridings, daughter of Mr. and Mrs. Ernest Ridings, became the bride of Henry Francis Willen, son of Mr. and Mrs. John Willen of this city. The cere-

mony was performed by the Rev. Edward Kowalski, assistant pastor. The bride chose for her wedding an old-fashioned gown of white satin, with a low neckline outlined in lace, tight-fitting bodice and long sleeves ending in points over the hand. The full hooped skirt had ruffles of lace at the hip line and ended in a peacock train. Her finger tip veil of illusion was held in place by a coronet of beads. She wore a string of pearls and carried a mother of pearl rosary, both gifts of the bridegroom.

Miss Lucy May Carmody of Chicago was the bridesmaid. Her gown was of orchid taffeta with a yoke of marquisette trimmed in lace. The full peek-a-boo skirt was hooped and ended in ruffles of lace. She wore a halo hat of orchid taffeta and lace mitts, matching in color. Her bouquet was of pink gladiolus.

The two little daughters of Mr. and Mrs. J. B. Schnellen, Mary Kay and Judith Ann Schnellen, were the junior bridesmaids. The best man was Harold Albrecht of this city. The servers were Billy Carmody and Bobby Thien.

Following the ceremony, a wedding breakfast was served at the home of the bride's parents. A reception was held at the Ridings home in the afternoon, to be followed by a dance Wednesday evening in the Knights of Columbus hall.

Mrs. Willen is a graduate of St. John's High school. Willen is also a graduate of St. John's High school and is engaged in farming with his father. They will make their home in apartments in the old Willen home in this city.

return the latter part of August.

On Saturday night, June 18, the Lions club will hold a bean supper in the American Legion Memorial building. There will also be an indoor carnival sponsored by the Lions. All proceeds from this event will be used to pay for the new asphalt tile floor being placed in the Legion Hall.

ASHLAND

Ashland Rev. Len Faull, pastor of the Christian church accompanied by Lloyd Herron, left immediately following the Sunday morning service for LaMonte, Mo., where Mr. Faull addressed a homecoming service that night.

Mr. and Mrs. George Gaillet and daughter, Lorena, and Patricia Conlee spent the day Sunday in Jerseyville at the home of Mr. and Mrs. Ernest Loy.

Mrs. Emma Sorrell of Cuba, Mo., is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Preston Edgar.

Mr. and Mrs. Charles Hitchcock of Pana spent last week end at the home of Mr. and Mrs. Ray Endicott.

Glasgow Church Calls Shurtleff College Student

Glasgow—Rev. Charles Ahl, a ministerial student at Shurtleff College in Alton, has been called as supply pastor for the Alsey Baptist Church, filling the vacancy caused by the resignation of Rev. Garfield Rodgers, who has accepted a larger pastorate.

Regular church services for the Alsey church are scheduled for the first and third Sunday of each month, at 10:45 a.m. and 7:30 p.m.

Mrs. Kate Wilson, residing between Alsey and Glasgow, was able to leave Our Saviour's Hospital in Jacksonville last week, after receiving treatment for a severe cut on the

back of her head, caused by a fall on the porch of her home, and is now at the home of her son, Mr. and Mrs. Thomas Wilson, south of Alsey.

From where I sit ... by Joe Marsh

Don't Fence Yourself In

Every spring, Handy Peterson and Easy Roberts patch up the stone wall that separates their farms. They walk along talking—Easy on one side, Handy on the other—picking up the fallen stones and putting them back.

Afterwards, over a friendly glass of beer, Easy says, "You know, wall-mending is a nice neighborly custom, but we really don't need that wall. We keep it up just because it happens to be there."

"Yes," says Handy, "a lot of walls and fences and boundaries keep on separating people for no good reason. Maybe we'd all be better off if some of them were torn down, instead of kept standing."

From where I sit, Handy said a mouthful. Take the "walls of intolerance" that people build up against each other. I like a temperate glass of beer now and then, you may prefer buttermilk—but that's no reason for me to criticize you, or you, me. Let's live and let-live together—making more friends and fewer "walls."

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop.

Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead, Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit.

How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs.

Break the laxative habit... with Carter's Pills... and be regular naturally.

When worry, overwork, overwork make you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit. Get Carter's Pills at any drugstore for 35¢ today. You'll be grateful the rest of your life.

Executive Group Of T.B., Health League Meets

The executive committee of the Morgan County Tuberculosis and Public Health League met in regular session at Oaklawn sanatorium Tuesday evening, with Rev. McKendree Blair, president, presiding.
 Present also were Mrs. W. D. Cole, Miss Helen Sweeney, Mrs. Herbert Capps, Mrs. Harry Roach, Mrs. Roy Davenport, J. A. Long, Miss Miriam Russel and Dr. W. C. Reineking.

Among the guests were Miss Mabel Withee, newly-elected chairman of the seal sale for 1949; Mrs. Florence Stone, clerk of the clinic and typist for the seal sale; Mrs. Long, Mrs. Blair, Mr. Cole and Mrs. Reineking.
 In the absence of Mrs. O. N. Foreman, chairman of the seal sale for 1948, J. A. Long read the seal sale report. The total gross sale was \$5,063.53. Of this amount, approximately one-fourth was paid to the national and state associations. With the remainder, the county league supports the out-patient X-ray clinic at Oaklawn, which includes the salary of the clinic clerk. During the last year it was necessary to provide a new typewriter and re-decorate the league-supported dormitory for women in the sanatorium.

The executive committee meets about once a month, in round-table fashion, at the homes of its members. During the winter of 1948-49 it suffered losses in the deaths of R. I. Dunlap, treasurer and committee member for many years; Dr. and Mrs. A. L. Adams, who served in many capacities and who were among the founders of the league; Dr. Charles Cole, director and former tuberculosis physician, and Herbert Capps, board member and loyal friend of the league.

Due to the sorrow felt by their many friends on the board of directors and on the executive committee, the annual dinner was postponed until next fall. Mrs. Roy Davenport has agreed to act as chairman of this event.

MEETING THURSDAY
 The postponed meeting of the Frances Floeth Missionary circle of State Street Presbyterian church will be held Thursday at 2 p.m. at the home of Mrs. D. E. Kerr, 710 West Beecher avenue.

Virginia Hubbert, Ray D. Applegarth To Wed August 28

Announcement has been made of the engagement and forthcoming marriage of Virginia Lucille Hubbert of Winchester to Ray D. Applegarth of Washington, Kans. The wedding will take place on August 28 at the First Christian church in Winchester. Miss Hubbert is a graduate of Winchester Community high school, where she was editor of the 1949

yearbook and a member of Honorary National Thespian society. Her parents are Mr. and Mrs. Walter Hubbert of Winchester. Her fiancé, the eldest son of Mr. and Mrs. John E. Applegarth, will begin his junior year at the Manhattan Bible college, Manhattan, Kans., next fall. At present he is pastor of the Christian church in Carneiro, Kansas.

A Change is in Order...

Change to OIL-PLATING!

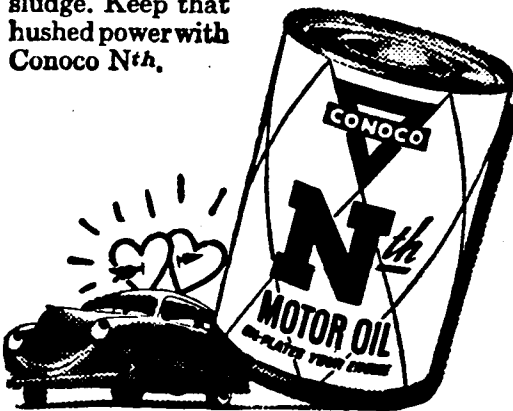

Safer! . . . In your engine, Conoco Nth oil won't break down under heavy loads. It stands up under high temperatures and long hauls. Conoco Nth is sturdy as an ox!

Ready To Go! . . . because an added ingredient in Conoco Nth attaches lubricant right to the metal. It won't all drain down—even overnight . . . your engine is actually OIL-PLATED!

Hoards Power! . . . because another exclusive additive in Conoco Nth fights power-robbing carbon and sludge. Keep that hushed power with Conoco Nth.

Low Running Costs! . . . because an engine OIL-PLATED with Conoco Nth lasts and lasts. You save on repair bills. You buy less oil between drains.

60 Per Cent Of Tax Money Available To Governmental Units

Checks totaling \$1,042,000 were in readiness Wednesday at the office of Sheriff Ralph Bourn, ex-officio collector, for distribution to the various governmental units of Jacksonville and Morgan county. The checks now ready for payment represent 60 per cent of tax funds available to the various disbursing bodies this year.

Various municipal units, 14 road districts, the schools and other governmental bodies will share in the funds now on hand, to be used to finance their routine activities. The final tax payments to the taxing bodies will be made in November.

Chief Deputy Armin Frick of the sheriff's office said more money was collected and more taxpayers were served in a shorter period than at any time in the history of the sheriff's office. The record day during the tax collection season was \$91,000, when more than 700 persons paid taxes at the sheriff's office.

Sheriff Bourn said the last two weeks of collection were the busiest, as large numbers of taxpayers waited until near the June 1 deadline before personal taxes and first installment on real estate.

Three Birthdays Marked At Picnic In White Hall

A picnic held at Lions park in White Hall marked the birthday anniversaries of Mrs. Mae Grizzle of Eldred, Claude Vestel of Hillview and Miss Shirley Rimbey of Roodhouse.

A dinner was served, after which gifts were presented to the honored guests.

Those present were Mr. and Mrs. Joe Grizzle of Eldred; Mr. and Mrs. Charles Powell and granddaughter, Roma, and Mr. and Mrs. Tom Conlee and sons, Jim and Jack of White Hall; Roy Powell of Peoria; Walter Surbeck and children, Randy, Diana and Marilyn, Mr. and Mrs. Byrl Surbeck and children, Lyndell and Janice, Miss Carole Barker, Mr. and Mrs. Claude Vestel and Paul Surbeck of Hillview; Mr. and Mrs. Buel Black and Mr. and Mrs. Nyle Vestel and daughter, Linda Sue of Jacksonville; Mr. and Mrs. Homer Rimbey and daughter, Shirley of Roodhouse; and Mr. and Mrs. Myrl Surbeck and children, David, Freddie and Joyce of Palmyra.

Mr. and Mrs. John Nagle of Athensville were present for a short while.

TOPS CHICAGO MARKET

Chicago, June 15—Ray Maul, of Jacksonville, topped the cattle market at the Chicago Stock Yard Tuesday with a short load of 1375-pound steers. The 12 head sold at \$29.50 per cwt. during morning sales, extreme high of the day and the season's top price.

Mr. Maul also sold one heifer of around 1100 pounds which went at \$27.00.

This baby bird (arrow) was rescued from a cat by Mr. and Mrs. Stephen Eva, Jr., of Cleveland, O., christened Lucky and housed in an old bird cage to recuperate. CHICAGO LIVESTOCK MARKET REPORT

Chicago, June 15.—(P)—Hogs and sheep held generally steady today but cattle were markedly uneven at levels ranging from steady to \$1.25 a hundred pounds lower. The biggest dip was on heavier weight steers.

Barrows and gilts weighing 320 pounds and below sold from \$19 to \$21 and a run top of \$21.25. Heavier weight butchers were too scarce to quote. Sows brought \$13.75 to \$18.25 and a top of \$18.50.

Choice to prime steers topped at \$28.75, closely followed by choice heifers at \$28.50. Most medium to choice steers fetched \$22.50 to \$28 and good and choice heifers \$25.25 and up to \$27.25. Common and medium beef cows sold from \$16.25 to \$18.50, medium and good sausage bulls from \$20.50 to \$23, and common to choice vealers from \$20 to \$26.50.

Available native spring lambs made \$22 to \$25 and ewes \$6 to \$9.50. Included among salable receipts were 7,500 hogs, 9,500 cattle, 500 calves, and 500 sheep.

New York Stock Market

New York, June 15.—(P)—The stock market swung upward today for the largest overall gain in more than a month.

Leading issues advanced fractions to around 2 points in a decisive move away from the 41-year low established Monday.

Steel and motor stocks were among the best performers, with rails, oils, rubbers, and non-ferrous metals following close behind.

Business expanded slightly when prices edged up. Turnover was at the rate of around 800,000 shares for the full session, which would be below Monday and Tuesday but still better than average.

In the bond market some of the lower priced rails attracted mild support.

WHEAT ADVANCES 2c IN ACTIVE TRADE; SOYBEANS, LARD UP

Chicago, June 15.—(P)—Wheat bounded up a couple of cents in fairly active dealings on the Board of Trade today. Other grains, as well as soybeans and lard, also advanced.

LET'S GO, CLEVELAND!—Charles Lupica was threatened with arrest if he didn't come down off the four-by-four platform atop his drugstore. Then the city sanitary police decided to permit the 37-year-old Cleveland fan to remain on top of the 16-foot post until the Indians reach first place. Lou Boudreau has taken over at third in place of the benched Keltner. Ray Boone has replaced the manager at shortstop. Lupica hopes the changes are for the best.

The bread cereal got off to a slow start, dropping around a cent, but 47½ No. 4, 132½-134; sample grade buying from local traders and commission houses reversed the trend after the first hour. Moderate mill buying, reflecting overnight sales of flour to the government, added the upturn.

Receipts were: wheat 9 cars, corn 34, oats 17, rye none, barley 14, soybeans 9.

Wheat closed 11-23 higher, July \$1.97-1.97½, corn was 1-1½ higher, July \$1.32-1.32½, oats were 1-1½ higher, July 39½-40, rye was 1-1½ higher, July \$1.35-1.35½, soybeans were 2½-3½ higher, July \$22.75-23, and lard was 3 to 10 cents a hundred pounds higher, July \$11.27-11.25.

Paris H. S. Athletes Rally To Support Of Ernie Eveland

Paris, Ill., June 15.—(P)—Forty prep athletes ran interference for their coach last night while he carried to the school board a demand for a public hearing on his ouster.

The boys were all for Coach Ernie Eveland and they wanted the board which fired him June 7 to know their opinions.

Eveland also was outspoken as he appeared with his attorney before the board.

The veteran coach told the board its action was "unwarranted, unauthorized and illegal." He demanded a "bill of particulars" on the 14 charges of insubordination and lack of cooperation made against him.

Entitled To Public Hearing

It was a pretty stormy meeting and the young athletes ran into opposition at first when one board member spoke up and said the boys were not entitled to present their views because they were not taxpayers.

"We may not be taxpayers, but we're sons of taxpayers," replied Fritz Tail, spokesman for the athletes. "We're just as interested as any taxpayer."

Under the teachers tenure act, Eveland is entitled to a public hearing on his dismissal. It must be heard within 60 days.

Eveland has coached Paris high school for 14 years and in 1947 he led the team to the state basketball championship.

Michaels Pulls Away In AL 2nd Base Race

Chicago, June 15—(AP)—Casey Michaels, youthful infielder with the Chicago White Sox, is pulling away from his American league second base rivals in the All-Star baseball poll.

Michaels has pulled 19,392 votes from the 74,702 ballots counted to date. He tops four former favorites of All-Star voters—Joe Gordon of the Cleveland Indians and Bobby Doerr, Boston Red Sox veteran.

Gordon, who has participated in seven All-Star games, trails Michaels by 3,586 on his total of 15,806. Doerr, who has played in six of the inter-league classics, is third with 13,748. Michaels' terrific hitting this season brought him newly-found supporters in all sections of the nation. He was christened Casimir Kwietniewski and is 22.

The standings:

National League

First base: Waitkus, Philadelphia, 19,403; Kluszczyk, Cincinnati, 14,182; Hodges, Brooklyn, 12,268; Mize, New York, 10,794; Stevens, Pittsburgh, 7,021.

Second base: J. Robinson, Brooklyn, 24,618; Schoendienst, St. Louis, 14,643; Verban, Chicago, 12,056; Rigney, New York, 8,244; Stanky, Boston, 7,372.

Third base: Kazak, St. Louis, 18,958; S. Gordon, New York, 15,707; Gustine, Chicago, 13,114; Elliott, Boston, 12,534; Hatton, Cincinnati, 8,025.

Michigan State, Southern Cal Are Favored In Track

Los Angeles, June 15—(AP)—Southern California's perennially powerful Tropans and the Spartans of Michigan State appear to be leading contenders for team laurels in the national collegiate track and field championships here this week end.

Such was the way the dopsters viewed the 28th Annual Cinderpath carnival Friday and Saturday afternoons as athletes by the score continued to arrive in Los Angeles today.

Seventy-five universities and colleges have entered contestants in a field exceeding 300. Numbered are nearly a score of lads who competed for Uncle Sam in the 1948 Olympic games at London.

Unbeaten in dual meet competition, Michigan State and USC battled to a 61-61 tie here last April 16 in one of the best meets of the season.

Local observers unhesitatingly pick the Trojans to bag their 13th national championship, with Michigan State runner-up and the undermanned defending titleholders, Minnesota, to finish far down the line.

Scala, White Sox Outfielder, Will Go To Indianapolis

Chicago, June 15—(AP)—The latest on Jerry Scala, rookie outfielder with the Chicago White Sox. He's going to Indianapolis of the American association on option.

A week ago the fiery 22 year Italian lad of Bayonne, N. J., was released to Oakland of the Pacific Coast league. Instead of reporting, he returned to Bayonne to visit his ailing mother, without telling White Sox officials of his whereabouts.

When the White Sox finally tracked him down, he was suspended without pay because of his refusal to report to Oakland.

Today Scala telephoned from Bayonne that his mother's health had improved and he was told to join the Indianapolis club tomorrow.

Oh, yes, the proud citizens of Bayonne had planned to present Scala with a new automobile before the Yankee-Chicago game in New York last night. When it was learned that he wouldn't be around, the "Scala Night" affair was called off and contributions for the purchase of the car were returned.

In 37 games with the Sox, Scala smacked out 30 hits in 120 times at bat for an average of .250. He scored 16 runs and batted in 12. Included in his safeties were seven doubles and a home run.

By Bob Merris

What a sports addict won't do to attract the public eye! A Cleveland druggist is up-a-pole until his beloved Indians reach the top drawer in the American circuit and now a Chicago gal puts a slug in Eddie Waitkus because she's in love with him.

Undoubtedly the method which the Chi town Miss expressed her infatuation for the Phillie first baseman is the most violent since the cave men dragged their women around by the hair, and clubbed 'em when they didn't wash their mammal-skin shirts.

It all adds up that a great competitive athlete—current leader in the All-Star poll's quest for a National League first baseman—may die because a schizophrenic girl's personality split at the wrong moment.

Edie opened his pro career in this territory. He made his baseball debut with Moline of the Three-I league in 1931.

Who's going to pick that choice Jacksonville high school basketball coaching plum that's been dangling since Spring. Rumors have had every coach in Southern Illinois and some from Missouri reaching for the position, but to date, no-one has been successful.

The fact that Bob Kraushaar, JHS class mentor for the past six years—is being replaced in the hardwood headcase department, is no reflection on Bob's ability. Kraushaar will remain as athletic director and head football coach, but the extra woe attached to the basketball job were just too much for one man.

Bob—a wonderful athlete in his own right—is one of the most popular coaches we've ever seen. For one who works from a pedestal surrounded with potential criticism, he gets along like a country politician at election time.

We're swamped with 'we wanna plays' from managers who have been asked to compete in the local 16-team invitational softball tournament. A few Jacksonville teams are still on the outside. Come on in, boys.

Our apologies to Rex Henley and his Elk softball team. His game with the Roodhouse Flyers Wednesday night was billed as a contest between the Jay-Cee girls and the Springfield Madison girls. The mixup resulted from poor communications between managers, booking chairmen and your sports ed.

Connie Hanley—ex-Routt basketball ace and present member of Tulane's hoop hot-shots—is spending the summer quietly, as a life-guard at the local Nichols park swimming pool.

NEW COACH

Tremont, Ill., June 15—(AP)—Guy Ricci, a three-sports athlete at Bradley University, has been added to the coaching staff of Tremont high school. A June graduate of the Peoria school, Ricci will coach football, basketball and baseball, having succeeded Leonard Kisilous who has been made physical education director of the school system.

Peoria Roszells Nip Myers Bros. Nine 5-2 In State League Tilt

The local Myers Bros. nine evened up its record in the Central Illinois Industrial Softball League at Nichols park last night when the Peoria Roszells aggregation dumped the Jacksonville representatives 5-2 in a regulation nine-inning contest.

Holding a previous win over Streator in the circuit, the Myers bunch now have a 1-1 record in passing the preliminary stages of loop play. The Wednesday night crowd of paying customers was treated to one of the most well-played tussles that has been directed on the Southside diamond this season. It was a ball game all the way, with a Myers rally stopping just short of producing the necessary runs for a win in the last half of the ninth.

Campbell, twirling the route for the visitors, allowed 8 hits. Lewty Allen, local first baseman, was the hottest thing with a bat in his hand for the Myers nine. Lefty collected three straight hits off the effective Peoria hurler.

The host team racked up both its runs in the eighth inning, on consecutive hits by Allen and Shay, and the fielder's choice. Other than that two-run outburst, the entertaining club was held scoreless.

Peoria crossed the platter once in the third and fourth chapters, and then rallied for three big clinching tallies in the fifth to put the game on ice.

Myers came close to starting a rally in the ninth, when the Peoria pitcher weakened noticeably. However, the uprising was nipped and chances for carrying the game into extra innings were forestalled.

Elks Win 7-6

The Jacksonville Elks edged the Phillips 66 club from Roodhouse 7-6 in a five-inning preliminary contest.

Cerdan, LaMotta Bout Postponed Because Of Rain

Detroit, June 15—(AP)—Middleweight champion Marcel Cerdan and challenger Jake La Motta had the night off tonight when their title bout was postponed 24 hours by rain but their managers traded verbal haymakers in a three-hour argument about a second weigh-in.

Cerdan lost and La Motta won the word brawl, staged before the Michigan boxing commission. As a result chairman Floyd Stevens of the commission ruled there would be no new weigh-in tomorrow.

The weights of 158 for Marcel and 159 for Jake, as determined this noon, will stand, although Jo Longman, Cerdan's excitable Parisian manager, means about fighting a light heavyweight.

It was a real toughie for the commission which called all sorts of advisors by telephone before voting unanimously for no weigh-in "in accordance with National Boxing association rules."

Jeffcoat Returns To Chicago Cubs

Los Angeles, June 15—(AP)—Outfielder Hal Jeffcoat arrived yesterday from the Chicago Cubs to bolster the sagging Los Angeles Angels of the Pacific Coast League. Then he turned around and went back to Chicago.

An injury to Phil Cavarretta of the Cubs caused the switch in plans.

Phillies Sweep Doubleheader From Cubs 4-1, 3-0

Chicago, June 15—(AP)—The Philadelphia Phillies, shocked by the shooting of Eddie Waitkus, nevertheless carried on today to sweep a double bill with the Chicago Cubs, 4-1 and 3-0, before a crowd of 18,809.

Waitkus was shot and wounded by a girl fan in a hotel room early today. Dick Sisler replaced him today and collected three of the eight hits off Bob Rush and Emil Kush in the opener. In the nightcap he went 2 hits.

Ken Heintzelman held the Cubs to five hits in the curtain raiser for his seventh victory. In the second tilt, Hank Borowy also tossed a five-hitter, though he needed a ninth-inning lift from Robin Roberts when Hank Edwards rapped a double for his third hit and Andy Patko singled.

Roberts induced Frankie Gustine to go to ground into a double play to preserve Borowy's sixth victory. It was Hank's fourth of the season over his former mates.

The Phillies collected 11 hits off Heintzelman and Kush in the second game. They got four of them in the first inning and mixed them with an error by Schmitz for two runs. Del Ennis home.

Ennis also drove in the final Philly run in the seventh. He contributed to the same extent in the opener, collecting a double and triple and driving in a pair of runs.

Borowy, Roberts (9) and Seminick; Schmitz, Kish (9) and Walker. Winning pitcher—Borowy. Losing pitcher—Schmitz.

Pittsburgh, June 15—(AP)—In a last minute exchange of players to beat the midnight trading deadline, the Pittsburgh Pirates today obtained catcher Phil Masi from the Boston Braves in exchange for outfielder Ed Sauer and an unannounced sum of cash.

Pirate General Manager Roy Hamey announced the deal shortly before midnight and commented: "We had to have immediate help in catching since Eddie Fitzgerald and Clyde McCullough are out indefinitely with injuries. Masi will catch in tomorrow's game with the Braves."

The deal claimed a day in which the Pirates purchased Sauer from the St. Louis Cardinals for "cash" and a minor league player to be delivered at a later date.

In other transactions today, the Pirates sent infielder Bobby Rhawn, recently acquired from the New York Giants, to the Chicago White Sox for the \$10,000 waiver. They also recalled catcher Earl Turner from the Indianapolis of the American association.

Rhawn was included in the deal that brought pitcher Ray Poat to the Pirates in exchange for pitcher Kirby Higbee.

Yankees Wallop White Sox 9 To 4

New York, June 15—(AP)—Maintaining their hot home streak, the league leading New York Yankees clubbed out a 9-4 victory over the Chicago White Sox today.

A ladies day crowd of 16,459, including 11,576 paid admissions, saw the Yanks hang up their second straight victory over the Sox and their 17th triumph in 20 contests at the stadium.

Catcher Yogi Berra, ran his consecutive hitting streak to 17 games with a three-run homer in the fifth inning. It was Yogi's only hit in five trips but he batted in a fourth marker with an infield out.

The catcher's three-run clout featured a four-run burst which gave the Yanks a 6-0 lead and just about iced the contest.

Nippy Jones Leads Cards To 9-5 Win

St. Louis, June 15—(AP)—Nippy Jones was a one-man army tonight as he smashed a home run, two singles and a double—bating in six runs—to lead the St. Louis Cardinals to a 9-5 triumph over the Brooklyn Dodgers. It stopped the Brooklyn winning streak at eight games.

Behind Jones were a single, double and triple by Marty Marion and the effective five-hit relief pitching of Jerry Staley who took the decision from the Dodger reliever, Paul Miner.

The Redbirds took an early lead against Ralph Branca, putting across three runs in the first inning on two singles, two walks and Peeewe Reese's error.

The 32,131 fans represented a record attendance this year. The victory pulled the Redbirds back within two games of the league-leading Dodgers and sent them one game ahead of third place Boston Braves.

Joost's Homer Gives A's 2-1 Win Over Tigers

Philadelphia, June 15—(AP)—Eddie Joost's 14th home run of the season was the margin of victory as Dick Fowler recorded his fourth straight pitching victory in hurling Philadelphia to a 2-1 victory over Detroit tonight.

Joost's winning smash came off southpaw Ted Gray's first pitch in the fifth inning. Philadelphia's other run resulted from two walks and Outfielder Don White's single in the third frame.

Detroit's lone marker off Fowler was Vic Werne's seventh round tripper of the season in the eighth frame.

Walcott Takes It Easy As Date Of Title Bout Nears

Monmouth, Ill., June 15—(AP)—Jersey Joe Walcott confined his exercise to a long walk near his Peaceful Valley camp today as he neared the end of training for his NBA heavyweight championship 15-round bout with Ezzard Charles in Chicago's Comiskey park June 22.

Joey Allen and Don Florio, Walcott's trainers, said the Jersey fighter is only one pound over the 194 that which they want him when the bell sounds.

Meanwhile, 12 miles away Ezzard Charles engaged in rope skipping, shadow boxing and bag punching at his Sunset Hills camp near Kankakee, Ill. The Cincinnati contender missed road work for the second consecutive day because of heavy rains and muddy conditions.

Charles will resume boxing tomorrow with four rounds set with his spar mates.

Pirates Rally To Beat Braves 8-7

Pittsburgh, Pa., June 15—(AP)—The Pittsburgh Pirates rallied for four runs in the ninth inning today to defeat Boston's Braves 8-7 for their second victory of the series.

Dino Restelli, rookie outfielder from San Francisco who joined the Buccos last night, hit two home runs, each with a man aboard. His second circuit clout came in the ninth, tinning and scored the first two runs of the big rally.

Walks to Ralph Kiner and Wally Westlake then set the stage for Dan Murtaugh's game-winning single.

Lanky Rich Zimmerman—veteran football and basketball performer in Pittsfield contests—will stick around for one more year to furnish head-aches for Ivy league opposition.

Rich—whose real name is Richard—has been named captain of both the grid and cage squads for the coming year.

An end on the Pittsfield eleven, Zimmerman won Illinois Valley conference recognition as a standout performer last season. Playing center on Glenn Smith's "sweet-sixteen" basketball team, he bucketed 18 points in the only game the Pike county five played at Champaign, to win honorable mention on the Associated Press All-Tourney aggregation.

Cleveland Swamps Red Sox 8 To 5

Boston, June 15—(AP)—Three runs driven home by Rookie Ray Boone's first two major league homers provided the victory margin for the world champion Cleveland Indians today as they vanquished the Boston Red Sox 8-5 for their fourth consecutive victory. A paid crowd of 15,255 was in the stands.

Boone currently is playing shortstop in place of Manager Lou Boudreau, as he did last night against the Sox, played first base today until taking himself out of the game after batting in the seventh.

Boone singled as the game's first batter and scored his team's first run.

JUMPER SIGNS UP

St. Louis, June 15—(AP)—Infielder Lou Klein became the first St. Louis Cardinal who jumped to the Mexican league to sign a contract, it was announced tonight.

Fred M. Saleh, president of the Redbirds, said Klein signed for the same salary he had when he went to Mexico in 1946—\$6,500. The contract carried the understanding that WP—Seyell; LP—Hogue. HRRS: Pgh—Restelli (2).

ISLAND OF ESCAPE

Copyright by Hugh Lawrence Nelson. Distributed by MSA Service, Inc.

BEA COSGROVE awoke suddenly. The fire had died down to a large bed of coals, and a few flickers from some half consumed pieces of wood. She looked out, saw the stars, realized it was nearly morning. Already the first light was bringing grayness and a pre-dawn chill.

She looked at the figures stretched out under the shelter, counted the mounds of covers. One was gone.

The fatigue which had betrayed her into deep sleep struck again. She wanted to lie back on the mattress. Just lie there and not think what that missing person might mean. She had tried to stay awake and watch. And she had failed.

Bitterness at her own weakness drove her from the bed. The others gave no sign of life as she moved cautiously from the shelter, and hurried down the trail toward Fisherman's Cove.

She went first to the unit pile of wood which made the beacon on the cliff above the cove. There was no sign anyone had visited it.

She retraced her steps to the main trail. In the growing light she found a line of footprints branching off to the left. A multiple line of footprints, passing and repassing, that showed clearly in rain-softened spots of earth between rocks.

She followed the prints to the rim of the cliff, saw the shallow empty hole which had been scooped by fingers in wet earth, saw the uprooted stone which lay on its side near by. The footprints were blurred here, scuffed, lay full length on her stomach.

The cliff did not drop so abruptly here. It was broken into ledges and fissures, sloped to the

churning water. Yet in last night's fog no one would have realized that.

The body hung brokenly a scant 10 feet below the rim of the cliff, yet it took her as many minutes of scrambling to reach the tiny ledge where Fred Sillwell's body was wedged.

In death, he looked younger. There was only a trace of the vicious life had given him. The back of his head was a soft mushy smear.

In the space between the fingers of his right hand, Bea caught the glint of bright metal. She had to use a piece of rock to pry open those fingers and get the gold piece they had clutched.

The size of a \$20 gold piece, it was softer than a regular coin. One side was stamped with a large S. The other with an L.

Spare Island gold.

The treasure Harding had supplied to make his history accurate. The reason Mollie had been valuable enough to Fred Sillwell to be taken back into his good graces. And the reason for his death when he had run true to his own pattern. Tried to hide the treasure away, to secure it entirely for himself.

Bea Cosgrove made certain his money belt was intact, still well filled.

That filled in the gaps and told her who it was that had killed three times. She was conscious suddenly of her own extreme vulnerability, began to claw her way frantically up the side of the crumbling cliff.

She reached the top at last, stood there gasping, reassured by the emptiness of the landscape. Light glinted from the upper-structure of the Simpatico a half mile offshore.

Bea turned away resolutely, hurried toward the shelter.

She slowed her steps when she saw them all grouped around the

By Hugh Lawrence Nelson

fire, huddled close together in the cruel bright light.

They looked tired. They were dirty. And one of them had killed three times.

They saw Bea now and they threw questions. "Is the sun down? Is the Simpatico in sight? Is it smooth enough for a landing?"

She said, "Fred Sillwell is dead." In the silence she tossed one other word. "Murdered."

She saw the killer look at her. It was fatigue, not fear she felt. She opened her fingers and let the gold piece drop to the ground.

She left them on the cliff, paid no attention to their calls, their talk and their preparations.

Never before had she been so conscious of complete isolation.

A woman is always alone, Bea told herself.

No matter how willing to give, a woman must have some reciprocity or she was drained and twisted. In her desperate need she had tried to make Jim something he was not, under a cover of thinking of his welfare. She had sought vengeance for her failure and hurt, not Jim's.

Bea tripped, fell heavily and realized she had been running. It was too late for running now. There was no place to run, no place to hide.

Now at a time when she longed for a high, hot bath, the odor of violets, the smoothness of silk against her skin and deference and politeness from a man, she had to face the result of a pattern of actions in which she had played a part. She thought of Miguel Oak's broad shoulders, his understanding smile, the strength she needed.

She put such thoughts away and hurried on to face what she knew must come.

At the entrance of the Cave of the Gassps, she hesitated. She listened to the panting, which had frightened her on that day which now seemed so long ago. She made herself go inside, moved cautiously until she found the flashlight in the same place. The light helped.
